Amend the amendment in section 1 in §328-B in subsection 1 in paragraph C in the last 2 lines (page 1, lines 25 and 26 in amendment) by striking out the following: "or responding to other emergencies"

SUMMARY

This amendment amends the definition of "firefighter" by striking the reference to "responding to other emergencies" to clarify that the firefighter must have regularly responded to firefighting calls only to be eligible for workers' compensation benefits, in addition to the presumption established in Committee Amendment "A."
